

SPORIFY 22.4 Has Launched!

Dear Customer,

We are pleased to announce that SPORIFY 22.4 has launched!

This release sees the introduction of the anticipated Single Sign On (SSO) feature, which is available for enterprise subscribers. To enable SSO for your enterprise tenant, please contact support@sporify.eu.

SPORIFY SSO is available via the following identity providers:

- Azure Active Directory
- Okta
- OneLogin
- ForgeRock

Kind regards,

SPORIFY
