

Webinar: Preparing for DADI

The graphic features a dark blue background with a diagonal split. On the left, two circular headshots of speakers are shown. The top one is Remco Munnik, Associate Director at IPERION (a Deloitte business). The bottom one is Gary Wilson, Director & Co-Founder at SPORIFY. On the right, the CorrIT logo is at the top, followed by the text 'Attend Our Webinar' and 'DADI Data Readiness'. Below this, it says 'Join Gary and Remco as they outline the steps to help you prepare together for DADI and SPOR Data alignment'. At the bottom right, it specifies 'June 28 4pm CEST' and 'Register in the link below'.

Dear Customer,

We are writing to invite you to our upcoming webinar, 'DADI Data Readiness'.

Our guest speaker for this event is Remco Munnik, the Associate Director of Iperion Life Sciences. With the DADI project going live in October, Remco will bring his wealth of knowledge to the table, outlining the steps that need to be taken in order to prepare for DADI.

CorrIT's Managing Director and SPORIFY Co-Founder Gary Wilson will also explain how your data can be remediated and aligned with SPOR master data efficiently and provide real world examples using SPORIFY.

'DADI Data Readiness' webinar is being held on June 28 at 4pm CEST. To register, please click here:
