

# Thank you for attending our webinar:

"Aligning regulatory master and reference data with SPOR"

Hi Customer,

Gary Wilson here. Thank you for attending our webinar with IQVIA on 28<sup>th</sup> October. I hope you found the session informative.

During the webinar, I outlined several approaches that organisations are taking as they work towards IDMP data alignment.

If you found this topic interesting and would like any follow up information or a personalised demonstration of how SPORIFY can assist you, select a suitable date and time using the link below.

I would be delighted to meet you, learn more about your IDMP progress and demonstrate to you in real-time how SPORIFY can accelerate your IDMP alignment.

I look forward to meeting you very soon.

Kind Regards,  
Gary Wilson
