

SPORIFY Newsletter:

October 2024

As we enter the final quarter of the year, we are pleased to bring you the latest edition of the SPORIFY newsletter, in which we reflect on the happenings of the past months, and look forward to what is next for SPORIFY.

SPORIFY News

It has been a busy time for us recently. In August, SPORIFY 2023.1.3 was released, with highlights including new features such as Bulk Data Governance and Bulk Resolution Status Updates, as well as enhanced data governance workflows and Veeva integration improvements.

For more information about SPORIFY 2023.1.3, see the Release Notes below.

We have also attended several fascinating and insightful conferences over the past couple of months, including the Veeva R&D and Quality Summit in Boston, and Breakthrough Regulatory 2024 in Lisbon. We were delighted to meet many SPORIFY customers at these events, and to have the opportunity to spread the word about how SPORIFY is simplifying and accelerating the integration of health authority reference data sources for organisations worldwide.

Webinar

We encourage SPORIFY customers to attend the upcoming **'Getting Ready For IDMP: The Importance of Reference Data Management'** webinar on Thursday, October 17. This event, which features guest speakers Rishma Ulrich (BMS), Shannon Turner (GSK), Vasudevan Sampath (GSK), Gary Wilson (SPORIFY), and Paul Attridge (Veeva), provides a practical guide to integrating with SPOR databases (RMS, OMS) and effectively managing your referential data sets. To register, click on the button below.

Conferences

We are happy to announce that we will be attending the **Global Pharmaceutical Regulatory Affairs Summit** in Brussels from October 22-24. This event focuses on the topics of Regulatory Information Management & Digital Transformation, Global eSubmissions, Regulatory Guidances & Legislative Landscapes, and Regulatory Affairs in Global Markets. With a whole host of fascinating guest speakers and 75 curated sessions addressing the most pressing challenges in regulatory affairs, GPRAS 2024 promises to be a valuable experience.

We will likewise be in attendance at the **21st DIA Japan Annual Meeting** in Tokyo from October 27-29, the theme of which is 'Toward a Well-Being Future in which Each and Every One of Us Has Ikigai'. This conference provides an excellent opportunity to connect with experts and thought leaders from across the globe to discuss and learn about current issues and developments within the life sciences industry.

We hope to see plenty of our customers at these upcoming events. If you would like to meet us in Brussels or Tokyo, please send us an email at info@sporify.eu.

Kind regards,

SPORIFY
