

We are contacting you to follow up on yesterday's email about the scheduled downtime period for SPORIFY's Validation environment, which was due to run from 8am to 6pm IST today.

Unfortunately, we have encountered some minor delays, which mean that this downtime will remain in place for longer than expected.

We estimate that the Validation environment will be made available to users again at approximately 10pm IST today.

We apologise for any inconvenience caused by this delay.

Kind regards,
