

## Happy Holidays!

Happy Holidays! The team at SPORIFY would like to wish you all the best for the holiday season and thank you for your valued support throughout 2022. We look forward to continuing to work with you in 2023 and beyond.

2022 has been a hugely successful year for us. Read on for a brief summary of the most significant happenings at SPORIFY over the past twelve months.

## New Releases

Four iterations of SPORIFY were launched in 2022, introducing numerous highly-anticipated new features and improvements including:

- Data Governance
- Enhanced RMS Export
- RMS & OMS Change Requests (Read & Archive)
- RMS History Comparison
- Single Sign On
- SPOR SMS Integration
- Veeva Vault Integration

## New Partners

Over the course of the year, we formed several exciting new partnerships, including NNIT and IQVIA as implementation partners and Veeva as a technology partner.

## Upcoming Events

There's plenty to look forward to in the coming year. For a start, SPORIFY's Co-Founder and Managing Director Gary Wilson will be attending the DIA's Regulatory Submissions, Information, and Document Management Forum which is being held in North Bethesda, Maryland in February 2023.

If you would like to set up an appointment to meet with Gary at this conference, please send us an email at [info@sporify.eu](mailto:info@sporify.eu).

Kind regards,
